Access New Courses in the QII Learning Center

Access learning you need, when you need it through the expanded [QII Learning Center](#). This online education is free and a great resource if you're looking for end of year credit. It will help answer questions to ensure you get the most out of the registries and quality improvement tools available.

Discover and start accessing our newest courses:

- CathPCI Metric #1 - PCI In-Hospital Risk Adjusted Mortality
- CathPCI Metric #39 - PCI In-Hospital Risk Adjusted Acute Kidney Injury- All Patients
- CathPCI Metric #45 - Cardiac Rehab Referral
- Chest Pain - MI - Mastering Performance Composite Measures
- STS/ACC TVT Metrics 2-3 - 30 Day Follow-Up - Metric 2 and Metric 3: Where To Go When Things Go Wrong

Getting started is simple. You no longer need to follow extra steps and clicks to access the Learning Center. Now, you can easily navigate to all courses available in the QII Learning Center. [Click here](#) to learn more and get started!
