New Documents and Education for STS/ACC TVT v3 Are Now Available

The STS/ACC TVT Registry is happy to announce the publication of the new v3.0 Data Collection Forms and the v3.0 Data Dictionary as well as v3 educational training videos.

Please use the 3.0 Data Collection Forms for discharges and follow-ups occurring on or after January 1st, 2021.

The STS/ACC TVT Registry v3.0 web based Data Collection Tool will go live on January 25th 2021!

To access the version 3 Documents, please navigate to our Documents Home Page by clicking Resources/Documents.

To access the version 3 educational training videos, please navigate to our QI Learning Center landing page and click the link for STS/ACC TVT Registry - v3 Education.

STS/ACC TVT Registry and USNWR Public Reporting Webinar

Please view this informative webinar on the methodologies that will report TAVR best practices in the STS/ACC TVT Registry Public Reporting Program and U.S. News & World Report Best Hospital Rankings for TAVR.
