

TVT

The next Data Deadline will occur on April 15th, 2021 and will review 2020Q4.

This will be the last Data Deadline for v2.1.

STS/ACC TVT Registry Voluntary Public Reporting: Data Release Consent Form Now Available

Hospitals participating in the STS/ACC TVT Registry can publicly showcase their commitment to continuous quality improvement through voluntary participation in STS/ACC TVT Registry Public Reporting Program. Select measures have been identified with data presented using a three-star rating system based on accepted clinical thresholds and will be displayed on the STS Public Reporting Page.

Please review the TVT Registry Public Reporting Companion Guide found under Resources > Documents for more details. Hospitals must complete a Data Release Consent Form to participate in the public reporting program.

Important Points to Remember:

1. The opt in time will begin March 1, 2021 and all data release consent forms must be received by April 30, 2021.
2. You can only opt in once a year.
3. Reports will be posted for the public to view in October, 2021.

Important Dates for TVT
