Coming Soon! An Exciting New Look to the QII Learning Center!

NCDR is pleased to announce effective May 22, 2021 Eastern Time, the QII Learning Center will boast a new look. The updated look will make navigating the site easier for participants and will expand the educational opportunities available.

In the new layout, the NCDR CE Option tab will remain a mainstay and will continue to have dropdowns to courses for each of our seven hospital based registries. In addition, NCDR has added NEW tabs for Non-CE Options, Case Scenarios, Accreditation, and Quality Summit!

The QII Learning Center team is excited about the new look and enhanced learning for our participants and look forward to more opportunities to enrich our educational offerings!

While NCDR facilitates the changes, participants may experience intermittent disruption during the hours of 7 pm and 9 pm Eastern Time on Wednesday, May 19, 2021.
